Hi Shannon,

EPA does not have any objections to release of the requested waters of the U.S. credits.

Thanks,
Melissa

Subject: Petersen Ranch Mitigation Bank Area E 3rd Credit Release Request (REVISED 7-13-2020) [USACE FILE NO: SPL-2012-00669-BEM, CDFW TRACKING NO: 1798- 2013-04-R5]

Dear IRT,

Please find attached a revised request for IRT approval of the 3rd credit release from the Petersen Ranch Mitigation Bank Area E, incorporating requested edits from CDFW. These edits include:

- Changing the CDFW tracking number;
- Removing Open Water Preservation credits from credit request tables;
- Adding language clarifying that Open Water Preservation credits are not requested;
- Specifying the CDFW Implementation Fee amount and due date; and
- Including the endowment deposit receipt.

The Bank Sponsor has funded the Area E endowment deposit in the amount of \$98,340.62 ahead of this revised request and the deposit receipt is included as an attachment to the letter.

Janice, the Bank Sponsor has agreed to fully fund the Implementation Fee amount due (15%) to ensure simplified fee calculations associated with future credit releases.

I have also attached a redlined version of the revised letter and a revised version of the Excel sheet with the detailed credit release tables.

Thank you and please let me know if you have any other questions at this time.

Warm regards,
Marlene
